OUR SERVICES

- 1 Investment strategies for the growth markets in Africa**
Bespoke investment strategies targeting high-growth sectors across Sub-Saharan Africa and frontier markets.
- 2 Portfolio strategies: Country and sector allocation**
Portfolio allocation balancing country-level macro risk with sector-specific growth trajectories.
- 3 Portfolio steering: Selection of local brokerage firms**
Curated network of vetted local brokerage firms for efficient trade execution and settlement.
- 4 Assessment, valuation and reduction of investment risks**
Proprietary risk models incorporating political, currency, and liquidity factors.
- 5 Investment advisory for mutual funds**
Ongoing advisory for mutual fund managers seeking compliant African exposure.
- 6 Presentations on Africa (on client events)**
Engaging investor presentations at conferences, roadshows, and private events.
- 7 Planning and accomplishment of business trips for investors**
End-to-end investor trips including regulator meetings and site visits.
