Steps for Completing Your Project

- 1 Project Scope Check**
Checking estimated quantity, item types, and deciding which manufacturer fits best.
- 2 Sketches & Fabrics**
Send item sketches, preferred fabrics, and colors. Even hand-drawn sketches work.
- 3 Fabrics Sourcing**
We do low MOQ fabrics sourcing and send you pictures for swatch selection.
- 4 Sample Making**
After fabrics chosen and sizes negotiated, we provide sample price and proceed to making.
- 5 Sample Checking**
We send photos of the ready sample, fix any issues, then ship to you for fit checking.
- 6 Production Negotiation**
After samples confirmed, we calculate production price and prepare the batch order.
- 7 Prepayment & Batching**
After confirmation, we send the invoice and proceed to fabric ordering and manufacturing.
- 8 Inspection & Shipment**
After batch produced, we inspect and ship the goods to you.

Guarantees

- 1** All Sales Are Final for upfront payment (you get access to exclusive vendor lists, templates, and project schedules).
- 2** If you don't like the first sample, we'll remake it for free and spend additional time sourcing other fabrics.
- 3** All we need is your responsiveness within 24 hours.

Frequently Asked Questions

Q: What is the estimated MOQ (minimum order quantity)?

A: Usually 100 pcs per color for women's fashion apparel. It's rare such a low MOQ — that's why we're unique for starting brands.

Q: Can you help with fabrics and accessories sourcing?

A: Yes! We are a full-service OEM manufacturer and team.

Q: Can you help with documentation revision?

A: Yes, we specialize in documentation revision and shipment documents without mistakes.

Not happy with the work?

We get paid when you approve the work. If dissatisfied, you can request a refund.
